

HSC Art Show/Concert

Students are free to express themselves artistically or musically at HSC. When families attend our annual art show, the best three or four art assignments completed by students enrolled in the art elective will be hung up in the lunchroom. Seeing art exhibits is a wonderful way to appreciate the skill and work of artists from all around the world. Their presence gives us the opportunity to view paintings, sculptures, and other artistic creations that we might not otherwise have access to, not to mention the fact that the artist is someone you see every day at school. Since our own students remain after school to play instruments and sing, HSC is all about community and supporting one another. It's an opportunity for students to interact, offer constructive feedback, and grow as individuals even if they don't want to be artists or musicians. They're also a fantastic method to hang out with pals during the day or night. There will be an exhibition of the excellent work that the participating students have created. Every year, students showcase their artwork at the Student Art Show.
